Yesterday's continual stream of incoming men meant a continual flowing out of Suits. WE WERE COMPELLED, IN ORDER TO KEEP UP THE ENTHUSIASM AND

Men's At

Hundreds of Suits from other lines of higher-priced goods. More \$10 BLUE SERGE SUITS that are absolutely fast color guaranteed. The coats are either single or double breasted and lined with a good, strong body lining—all the seams are corded to prevent fraying—trousers are lined. Entire suit silk-sewn throughout—to go at \$6.50.

More \$15 FANGY WORSTED SUITS, in light colors and stripes, checks, erringbones and overplaids—to go at \$6.50.

To these we have added pure all-wool \$10 BLACK CHEVIOT SUITS at \$6.50. BLACK DIAGONAL cutaway frock coats and vests, and single and double breasted sack coats and vests, all fast black (they will not gloss or turn color), that were \$6 and \$10 the coat and vest. Every one of them to go at \$6.50 the suit; the black diagonals at \$5.50 the coat and vest.

We told you of this sale yesterday. Don't let to-day slip by without getting here, otherwise yours will be the regret. We never counted on such a hearty, enthusiastic response as met the glad t'dings of this sale by the men of New York. They airly came in swarms to take advantage of this exceptional opportunity. The vast quantity of Suits we placed on sale we thought to be sufficient for at least a week's selling. But they are going quickly; so we say again, try to get here to day. Aside from this great lot there is a vast showing of Suits at from \$6.50 to \$8, \$10, \$12, \$15, \$18 and \$20.

LOCAL TRACTIONS LED IN ADVANCE

Strong Upward Movement in Stocks During Afternoon and Market Closed Strong at Higher Figures.

The opening of the stock market to day was a record breaker for duiness. After the first ten minutes of trading the market was almost at a standstill Prices at the start were irregular. The changes were only fractional, with most of the important stocks up. There was no movement in the early dealings and prices hovered about the opening

After the first half hour fo trading there was a tendency to sag, and most of the earlier fractional gains were lost. The unsettled condition of the coal The unsettled contains a strike and a desire on the part of operators to await to-morrow's weekly bank statement caused speculators to hold off. There was practically no new buying and the early trading was purely professional.

ofessional.

Amalgamated Copper was the most tive stock, opening up 11-8, at 713-4, ut losing the gain later. Bonds were strong.

The whole list gained strength in the afternoon, most of the stocks going to the highest point of the day.

The local tractions were in good demand and bouyant. The rest of the

mand and bouyant. The rest of the market gained its strength in sympathy with the movement in the tractions.

The trading continued very dull up to the close, which was firm at about the highest figures of the day. The total sales of stocks were 330,000 shares and of bonds \$2,500,000.
